

## Co-op Work Term Sequencing Options:

Below outlines a series of common ways students sequence Co-op work terms with their academic schedules. If you have specific questions relating to your situation, please contact the Co-op Program Office directly.

### Important reminders:

- You must complete 3x Co-op work terms and must graduate on a study term in order to achieve Co-op Designation
- You can complete up to a maximum of 6x Co-op work terms
- Co-op credits are additive and do not replace required or elective course work in your undergraduate degree program
